

YOUNG MODDY

PHILADELPHIA'S GENRE-BENDING VOICE

"MUSIC FOR THE PEOPLE WHO FEEL EVERYTHING."

MUSIC & SOCIAL LINKS

ABOUT YOUNG MODDY

Young Moddy is an independent artist from Philadelphia blending hip-hop, alternative rock, and melodic storytelling into a sound that's both emotionally raw and impossible to ignore. His music captures the highs of ambition, the lows of heartbreak, and everything in between through infectious hooks and honest lyricism.

Known for records like "Choker," "Since You Been Gone," "Days B4 The End," and "Love Is a Gun," Young Moddy continues to build momentum as an emerging independent artist with a growing audience and a sound that refuses to stay in one box.
